

I'm a demonic
wolf that can
eat the whole
world. Many
people are
scared of me.

I'm Fenne, son
of the truckster
god Loh. I'm
actually huge
and scary.

I was
going to
use it for
tonight's
dinner...

Also, no one
is as fuzzy
as him.

This is
my little
brother.
He's a
wimp.

Brother, did
you eat all the
leek in the
cupboard again?

One of my
favorite
foods is leek.
I just love
that crunchy
feeling...

Brother!

Hmph! Darn idiot. Just
to think that this fool is
my brother makes me
cry tears of shame.

"me me"

Ahh! Please
stop! You'll
get fur on
my suit!

I think I'll
give him a
good kick
now.

Back home,
whenever I heard
rumours about the
cunning, evil-ish
trickster god Lolo,
I would get so
excited...

Ever since he
came to the
human world,
the old man has
changed... It's
not that I don't
like it, but...

Oh,
here's the old
man's
lover

Good
evening!

Yeshoo!
Lolo-kun!
